Join our team of Scout Leaders as a Beaver Scout Leader and inspire young people to adventure!

1st Churt Scout group has a thriving Beaver Colony, Cub Pack and Scout Troop, where our young people have fun gaining new skills and meeting all kinds of challenges that help them to develop into citizens for the future who can look after themselves, others and their environment. They learn to lead and to be a part of a team, to care, to be tolerant, responsible, courageous and loyal.

Our Beaver Colony is for both girls and boys, 6-8 years-old. Our current Beaver Leader has loved every minute of leading, but she is moving on at the end of the Summer term when her children go up to Cubs. So we need to find a new leader (or two in job-share mode). No prior experience is necessary because Scouting offers excellent training on all aspects of scouting, safeguarding, safety etc. Our current leader will still be around to guide you and there will be other helpers too within 1st Churt. Alongside six other Scout Groups, we are part of Haslemere and District Scouts who provide further support which includes the opportunity to share experience and socialise with other groups in the District.

Beavers meet once per week in term time for an hour and you will get lots of help to plan an exciting programme of activities. Currently, meetings are on Zoom but we hope to get back to face to face meetings before too long.

Email our current leader at churtbeavers@gmail.com for the inside story on leading or members of our Exec Committee who will explain more about what is involved:
