Frensham and Churt Parish Councils are working jointly to find a short, medium and long term solution to the vast influx of visitors to Frensham Great and Little Ponds and The Flashes. A Joint Action Group has been formed with local authority and emergency service teams.

Surrey Hills have put out a [‘don’t travel’ plea](#) to reduce visitor numbers

Connect with Nature

Our landscape has become more littered and the wildlife has retreated now that there are more visitors to the area. But June is the month of long days, so take time to carry on with the Churt butterfly survey and enjoy the wildflowers. Watch out for a dragonfly and damselfly survey coming soon

St John’s School

School has begun slowly with most Reception children back. They were greeted with bunting and bubbles. Whether at school or at home, the sunflowers are growing well

Thursley National Nature Reserve Fire

Churt is still in a state of shock at the devastating fire which tore through Thursley National Nature Reserve on Saturday and which has affected 200-300 species of flora and fauna. Churt has offered its support to Thursley
